We hope you will enjoy your year with us.

Soon I will be big and
I will be going to
Nursery School.

It will be good fun. I
will make lots of new
friends. There will
be lots of things to
do.

I will wear a uniform
each day.

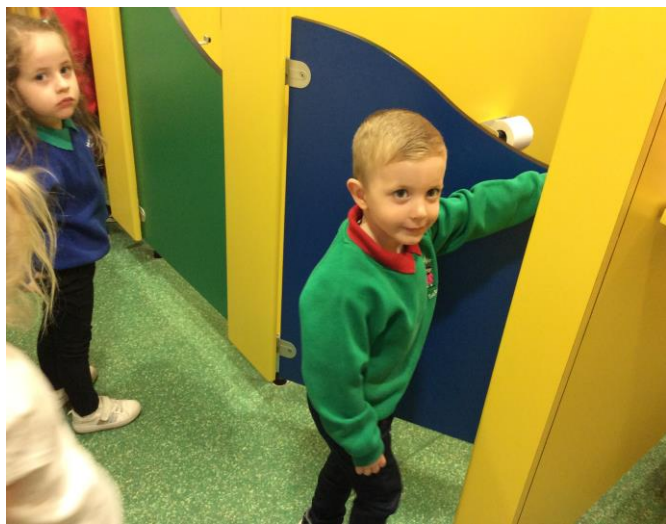

I will bring a bicycle
helmet that fits my
head and keep it in
nursery.

I will wear trainers
with Velcro straps to
nursery every day. I
will not wear shoes
with laces to
nursery.

We have special toilets and sinks. You will need to ask your mum and dad to help you practice using and flushing the toilet, pulling up your clothes and washing your hands.

I do not need to bring any toys or sweets to Nursery. Mummy will keep my earrings and chains safe at home. I need to bring a coat every day so I can go outside.

I will get a lovely snack to eat and milk to drink in the morning.

Later at 12 o'clock I will get my dinner and a drink.

There will be lots of sand and water
to play with.

I will make beautiful pictures.

I will dress up.

I will play outside in the playground.

We will play with lots of things.

Sometimes I will go on a big bus for
a lovely trip.

We will do lots of cooking.

We will have lots of interesting visitors.

Some parents come into nursery to help us.
