The topic we are learning is:
On Safari and Summer

Discuss with your child:

The different animals that live in the jungle.

Lion, Tiger, Giraffe, Elephant, snake etc

Look up some facts and information together on youtube!

- What do you think it is like in the jungle?
- What do you think the different animals eat?
- What colours are the animals?
- Are they camouflaged?
- Do you know why they might be camouflaged?
- Where do some animals live?
- Do they live in the rainforest in trees or in long yellow grass?
- Do you know what the weather is like in the jungle?

**The changes in the weather:
Getting ready for summer!**

- The brighter mornings and longer evenings.
- Is it getting warmer?
- Do we still have to wear our coat?
- Are there petals and leaves now growing on trees and plants?
- Are you visiting the park because the weather is better?
- Are you going on a picnic because it is warmer?
- What are you doing differently now it is the beginning of summer?

Colour: Blue

Shape: Diamond

Can you find these colours and shapes around you?
